How to file a Theft Only Purchase Security claim

Call the Benefit Administrator at 1-800-628-8472 within sixty (60) days of the theft (if you wait longer, coverage may be denied). The Benefit Administrator will ask for some preliminary claim information, answer your questions and send you a claim form. When you submit your claim, be sure to include all information regarding your claim including the time, place, cause and the amount to replace the item.

If the purchase was stolen from the delivery location, you are required to file a claim with the common carrier and/or retailer. If you have insurance (homeowner’s, renter’s, car, employer or any other), you are required to file a claim with your insurance company. You are required to submit a copy of any claim settlement along with your claim form. Theft Only Purchase Security provides coverage on an “excess” coverage basis, meaning it does not duplicate coverage, but pays for a loss only after valid and collectible insurance or indemnity (including, but not limited to, homeowner’s, renter’s, automobile, or employer’s insurance policies), and compensation from the retailer and/or common carrier has been exhausted. At that point, Theft Only Purchase Security will cover the loss up to the amount charged to your eligible account, subject to the terms, exclusions, and limits of liability of the benefit.

This benefit also pays for the outstanding deductible portion of your insurance or indemnity for eligible claims. The maximum total limit of liability is up to one thousand dollars (\$1,000.00) per claim occurrence and ten thousand dollars (\$10,000.00) per cardholder. You will receive no more than the purchase price as recorded on the eligible card receipt.

When a protected item is part of a pair or set, you will receive no more than the value (as described above) of the particular part or parts, regardless of any special value that item may have as part of such a pair or set, and no more than the proportionate part of an aggregate purchase price of such pair or set.
